GRG 29/121 Mandates committing children to the custody of the Department - Destitute Persons Department and successors

These mandates consist of the legal document which committed neglected, destitute or delinquent children to the care of an Industrial or Reformatory School and was the first step in becoming a ward of the State. Files usually gives details of child's circumstances and parentage etc., and release forms.

Multiple children from the same family are at times recorded on the same mandate file so please be sure to check all names listed across a file.

Series date range 1875 to 1972

Index date range 1875 to 1925
