

Special List

GRG 5/2 Correspondence files ('PCO' files) - Police Commissioner's Office

Series Description	This is the major correspondence series of the Police Commissioner's Office. A correspondence file generally only relates to one particular subject or individual, but documents received over a number of years may be placed in the same file. The file cover may be annotated with the file numbers of related files.
Series date range	1844 – 1979
Agency responsible	South Australian Police Department
Access Determination	Records open after 60 years
Contents	After 1949 series is arranged by multiple number system rather than by year. The multiple number system consists of three tiers, the first tier relates to the subject.

File numbers 131997 to 147669

This list has been made text-searchable using Optical Character Recognition (OCR) technology. Please browse the list if you are unable to locate information using the Ctrl F 'find' function.

If you have concerns about the accuracy of the information within this list, please let State Records of South Australia staff know.
