Manifest of shipping departing from Port Adelaide

Series Description

This series consists of a manifest book of outward shipping from Port Adelaide, as well as an index to the book created at a much later date.

From 25 November 1840 - 3 July 1841, the book was used to record cargo carried by ships departing Port Adelaide. From 3 July 1841, the manifest book records cargo, crew and passengers.

Information recorded includes: name of ship, tonnage, name of master, intended destination, date of clearing, cargo description and quantity, crew members' names and roles (e.g. Chief Mate, Carpenter, Steward, Cook, Seaman, Apprentice, etc.) and passengers' names.

Series date range

1840 - 1844
