

Index

GRG 1/27 Inquest files - City Coroner and successors

This series comprises records of coronial hearings into deaths and fires where an inquest was deemed necessary by the Coroner.

Information varies over time, but generally records the following:

- name, former residence and occupation of deceased
- date, place and cause of death
- name, address and occupation of witnesses
- reason for holding inquest
- date and place of inquest
- name of Justice of the Peace/Coroner
- transcripts of evidence and findings of inquest

Inquests for the period 1877-1930 were authorised for pulping during World War II as part of the war effort.

Series date range: 1867 to 1976

Index date range: 1931 to 1965

Series contents: files, arranged by annual single number

Index contents: alphabetical by surname

How to view the records

Use the index to locate name(s) and note the file number.

If you would like to view the file(s) in our Research Centre, please visit our [Research Centre web page](#) to book an appointment and order the records. You may also request a digital copy (fees may apply), [Contact us](#) and provide details of the record you would like a copy of.

Agency responsible: State Coroner's Office

Access Determination: Open after 60 years

Note: While every effort has been made to ensure the accuracy of special lists, some errors may have occurred during the transcription and conversion processes. It is best to both search and browse the lists as surnames and first names may also have been recorded in the registers using a range of spellings. Please advise State Records if you discover any errors in this list.
