

## Special List

### **GRG 41/34 Official lists of passengers arriving in South Australia from overseas**

Series  
Description

This series contains official passenger lists of ships arriving in Port Adelaide from overseas. The Customs Department required masters of incoming ships to prepare and forward passenger lists to the Department.

Information recorded on passenger lists varies but generally include ship's name, master's name, tonnage, where bound, ports of embarkation and disembarkation, names of passengers, age (adult or child), occupation, nationality and number of passengers.

Series date range 1888 – 1940

Agency responsible State Records of South Australia

Access Determination Records open after 60 years

Contents **Passenger names - Ciage Mr, to Cummins Mrs D. H.**

Arranged alphabetically by surname of passenger.

Lists may contain names of passengers disembarking at Australian ports other than Adelaide. Not all lists have survived.

**Note:** State Records has public access copies of these passenger lists on microfilm in our Research Centre. An electronic index of passengers 1909 - 1924 is also available in the Research Centre.
