Sir

The "Daniel Mulston" which

we expect to dispatch on Monday

next will bear to you three or

four a lot of people as you left

England - a very pleasant selection

if I mistake not. In those four

will have arrived by the four

ships sent under the auspices

of the Mining Comfy. - about 120

of the people are of my own

selection from Devon & Cornwall

and as I have had ample oppor-

tunity of ascertaining their moral

character & competency I suggested

to Mr. Mc Laren that it might

20/74
be useful to furnish you with
a list of a few which I mention
the best now. The following
are obvious that I should
do so & I therefore annex a
list & will furnish the same
with notes of introduction to you
I am quite confident you
will find them valuable people
I expect to need a further selection
in the various Royal & civil
to be as pointed by the circumstances
next month to undertake perhaps
done about the 10th
I am of opinion that agents
at home in moral the best

I explained myself and satisfactorily
for your story in the afternoon.
Confirmation of X -

I regret that the sale must
commence much earlier in the
afternoon than we wish, but
I believe it will be for
our advantage.

P.S. in answer to Mr McLaren letter I
 see he mentions having advised me that
 perhaps some of my people for I had been
 owned some lands - I do not think
 this likely, as I have been careful to
 limit my selections strictly to the
 labouring class. Mr M.L. must
 have misunderstood me.

J.M.

Dear Sir,
 I have the honor to acknowledge the receipt of your letter of the 14th inst. in relation to the above named matter. I am sorry to hear that you are not satisfied with the result of the investigation. I have, however, no objection to your making such use of the facts as you may think proper. I am, Sir, very respectfully,
 Yours,
