

## GRG 7/1

### **Nominations for assisted immigration (passage to be paid by nominee)**

Series  
Description

The summary of the nomination records a certificate number, date issued, date the Agent General was advised, number of schedule (which can be used for reference in GRG 7/49), date nominator was advised, arrival date and remark.

The nomination form records the name and address of the nominator, their age, country of origin, location for payment of the nomination fee. Details of the nominee(s) are also provided, including their name, address, age, occupation, nationality, marital status, fee payable and relationship to nominator. The names and addresses of a witness and two referees may also be recorded on the form.

Series date range

1912 - 1914

Agency  
Responsible

Immigration SA

Access  
Determination

Open 60 years.

Contents

Arranged numerically by file number.
