

Special List

GRG 24/1

Letters and other communications received by the Colonial Secretary, Governor and other Government officials

Series
Description

The Colonial Secretary's Office apparently maintained these letters separately from its formal correspondence series (GRG 24/6), although it is evident that some pages have been extracted/separated from the formal correspondence series.

The correspondence is arranged by an archives imposed numbering system, however, the letters have an original annual single number written upon them.

Series date range

1836 - 1851
