GRG 7/69

Publicity photographs - Immigration, Publicity and Tourist Bureau Department

Series
Description

This series consists of photographs produced by the South Australian government to promote tourist and economic activity and the state as a migrant destination. The photographs depict streetscapes, working life, events, geographical features, agricultural and leisure scenes.

Subjects covered by the photographs include Flower Day, irrigation and fruit, Murray towns, Adelaide, country towns, Adelaide Hills, Flinders Ranges, Mt. Gambier, South East Towns and Naracoorte Caves.

Series date range

C1950

Agency
responsible

South Australian Tourism Commission

Access
Determination

Records open for public use.

Contents

The Special List is arranged alphabetically by the photograph titles.

A frog he would a wooing go – Wishing well legacy 1949
