

GRG 56/79

Research Notes – Subject Index

Series Description

This series covers a wide range of subjects relating to South Australian and Northern Territory history. It includes articles, letters, brochures, chronologies, biographies, newspaper cuttings, etc.

The bulk of the notes were compiled by the first archivist of the South Australian Archives, George Pitt, to assist researchers interested in South Australian or Northern Territory history. Additional material has been added by staff or submitted by researchers from time to time.

Series date range

1929 – current day
