

GRG 7/4

Applications by South Australian residents for agricultural labourers

Series Description

This series consists of applications by South Australian farmers for migrants to be employed as farm labourers.

Many applications also include related documents, such as correspondence from the Department advising whether or not a suitable migrant is available, undertakings by farmers to pay the fare of the labourer from Port Adelaide to the place of employment, and telegrams advising of the labourer's arrival.

Series date range

1911 - 1914

GRG 7/4

Alphabetical index by applicant
to applications for agricultural
labourers by South Australian residents.

[The applications give name of ship, date of arrival
and to whom the agricultural labourer was sent].

1912 - 1914
